

Fall 2009 Journeyman Training Classes LOCAL 709 J.A.C.

All classes will be held on **Thursday** nights at the Training Center. Classes start at **5:30 pm** and end approximately at **9:00 pm**. Location of the specific classroom will be posted. Only the safety classes have size restrictions on them. All others, just show up. For enrollment in the safety/O.S.H.A. courses, Mastery Test, please call the J.A.C. at (562) 907-7622

October 8, 15, 22, and 29th (4 Thursdays)

10 Hour O.S.H.A. Safety Training. You must attend all four nights to receive certification card from O.S.H.A.

November 5th and 12th (Two night class)

Competent Person Class for Underground excavation & trenching. (Safety class) You must attend both nights to receive a wallet card.

November 19th

Reading Surveyors Stakes for Underground Installations.

December 3rd and 10th (Two night class)

Fire Pump Testing. Hands on class, bring work clothes.

The remaining **Thursday** nights in **December** and **January** have no classes scheduled at this time. As we try and arrange worthwhile information to present our members, you will be notified in future mailings or the business manager's newsletter.

Also if you want a C.P.R. or First Aid class call the J.A.C. and as soon as we get several members interested we'll put a class together and notify you. (562) 907-7622
