

## NEWSLETTER –JULY 7, 2009

*“Difficulties are meant to rouse, not discourage.”*

At the Special Called Meeting on July 6<sup>th</sup>, the Sept 1<sup>st</sup> Journeyman wage rate increase (\$2.60 per hr.) was discussed, with the Negotiating Committee making the following recommendation:

\$0.05 to RESA (per CBA);  
\$0.05 to Apprenticeship Training;  
\$0.50 to SIS Pension; and  
\$2.00 to Wages, of which \$1.00 to go to Vacation;  
(\$0.50 rate increase for all Foremen and General Foremen (per CBA)).

After little discussion, there were no other suggestions from the floor. A motion and second, was made from the floor to accept the Negotiating Committees recommendation. Then a motion and second was made to suspend the rules, to allow for a vote on the recommendation via a show of hands, which was unanimous. The Sept. 1<sup>st</sup> wage rate sheet will be sent out with next month's newsletter.

So there will be **NO** Special Called Meeting on Monday July 27<sup>th</sup>, 2009 to vote on where the raise will go. It has been settled.

I hope all who attended the Dodger game last month had a good time as we observed a nail biter of a game. It came down to the Dodger's last out of the 9<sup>th</sup> inning in order for them to pull out the win. However, what transpired at the end of the game in front of me, has astounded and shocked me. At the conclusion of the game, I observed members and friends of members throwing food and beverages, which were included in the price of the ticket, at a few Philly fans seated in the first few rows of our section. An action that was totally uncalled for and luckily no one was seriously hurt. Now I know that we all make mistakes but we also have to answer for those mistakes, and as of right now I am of the mindset that if we have another Dodger game outing then it will probably be in the regular seats where everyone will have to purchase their own food and beverages and there will be a limit of 6 or 8 tickets each member may purchase. Then maybe we would avoid just this sort of a situation. If anyone has any thoughts about this matter, please contact me to discuss them.

I would like to take this time to thank all the volunteers that helped out at this year's picnic. It was a great success, but for without your help, I would not have been able to make it through the day. I'd like to thank Chris Hannan, Ray Calderon, Todd Golden, Robin Schledorn, John Holmes, Bob Arballo, Sal Chiaravalloti, Jim Duffy, Erin Duffy, Mickey Hair, Nate Carpenter and the many others that made this day possible. A special thank you goes out to Carmen, who went above and below the call of duty. Thank you once again to all that helped throughout the day.

As of now, everyone should have received their notice from Wells Fargo about their taking over of the SIS Fund from Comerica. This was a business decision made by Comerica to get out of that particular end of the business. However, we, the trustees, are looking at other alternatives and routes to go, since this was not our decision.
