Resolution to Increase the Picnic Fund

Whereas, the picnic fund has been at the current contribution rate for many years; and

Whereas, the costs of all things has steadily risen over the years since the rate was first used; and

Whereas, services and food are not getting any cheaper;

Therefore Be It Resolved, that we increase the hourly contribution rate for the Picnic Fund from \$.02 to \$.04 to cover the increase in costs for the picnic.

Respectfully Submitted by the
Negotiating Committee
At the Regular Called Union Meeting
of June 7th, 2010
